Student Highlight - Olivia Zhou

Congratulations for getting a perfect score on MMTA Theory Exam in November!

Olivia started learning piano when she was 4 and half years old. She is currently a student of Ms. Eleonora Fishman. Olivia is very enthusiastic about piano, and would play wherever she sees a piano at friend's house, inside a store, or at the arrival level of MSP airport. She is currently working on her January contest and Level 4 exam. Besides piano, Olivia enjoys skating, swimming, biking, basketball, and her school at Scenic Heights Elementary.
